

# Senior CompuCare is Coming to Panther Trace!

Resident and Franchise Owner Karen Smith is now providing this service to our community. In addition to senior training and related computer services, Karen will also be providing a 'Mommy and Me Computer Class' for us! What is Senior CompuCare? Read on for more information!

Senior CompuCare expands to Hillsborough County Florida in August 2012. This new franchise offers 'day-to-day computing' instruction to seniors in their own environment.

This computer-learning company "for seniors, by seniors" was started by 47 year old Didier Nicholas in Longwood, Florida in February 2010 and it enlists independent contractors to help their 50 year + counterparts to use their computers, smartphones and other digital devices.

Senior CompuCare is dedicated to providing computer repair and training for seniors taught by seniors. The services provided offer a better understanding of the basics of computers and how to use computers on a day to day basis. Senior CompuCare has built a reputation based on honesty, reliability and

quality service while providing an affordable service to the community.

Instruction focuses on "what the individual wants to learn." The sessions are generally one-on-one, but may include small groups. Course offerings suit individual needs, for example, e-mail usage, saving and posting photos online, creating lists and simple documents, online registrations, appointment setting, reservation making, internet website navigation, as well as assistance in the use of digital phones and tablets.

In addition to successfully providing a new option for computer-learning, Senior CompuCare affords seniors employment and business ownership opportunities as well.

For more information or to schedule instruction in the Hillsborough County

please contact Karen Smith at (813) 506-8154 or by email at [ContactUS-FL1@SeniorCompuCare.com](mailto:ContactUS-FL1@SeniorCompuCare.com).

Course offering include: Computer Basics, Microsoft Office 2007/2010, Internet basics, Keyboarding, Beginners Photoshop. Cost of classes is \$15 per class with a \$5.00 registration fee to hold a spot. Have a Mac and need instruction, let us know.

One-on-one sessions available upon request. Call for rates.
